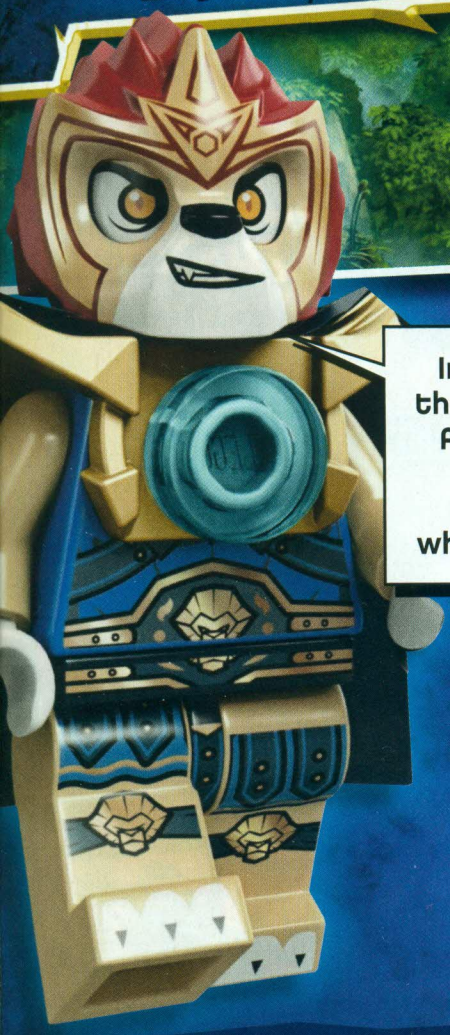
LEGO LEGENDS OF CHIMA™

THE STORY SO FAR



In this adventure, the heroes of Chima fight the Spiders and the Bats! But first, here's what happened last.

Crooler's betrayal!

Cragger and I watched Spinlyn and her henchmen prepare for battle. We didn't know Cragger's sister Crooler was working with the Spiders. She led them into the armoury of the Crocodiles!

Spider attack!

We were ambushed by the Spiders on our way to the Lion Palace in Cragger's Command Ship. They locked us in the ship and wanted to sink it. Luckily, the Crocodile Legend Beast came to our rescue.

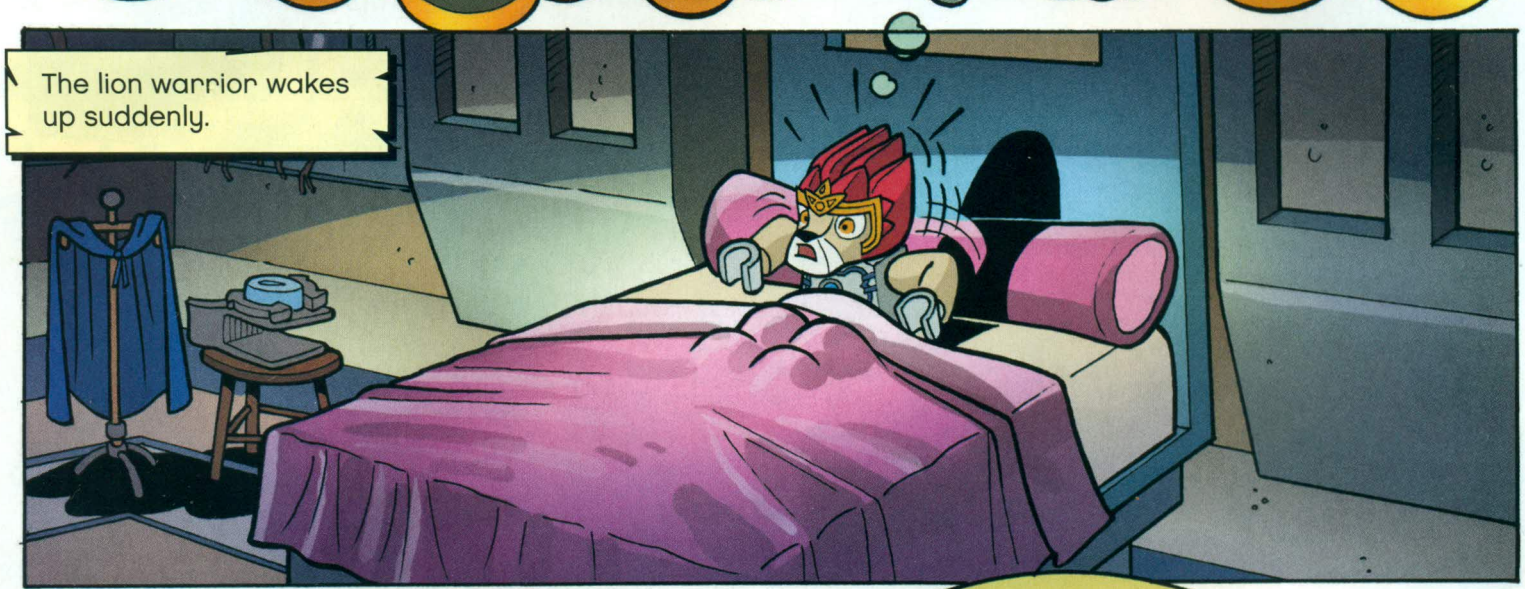
Trouble at the Lion Palace!

The Spiders had taken over Lion City and were holding my father prisoner. We received unexpected help from Crooler, who drove the Spiders off with the Persuader Plant.

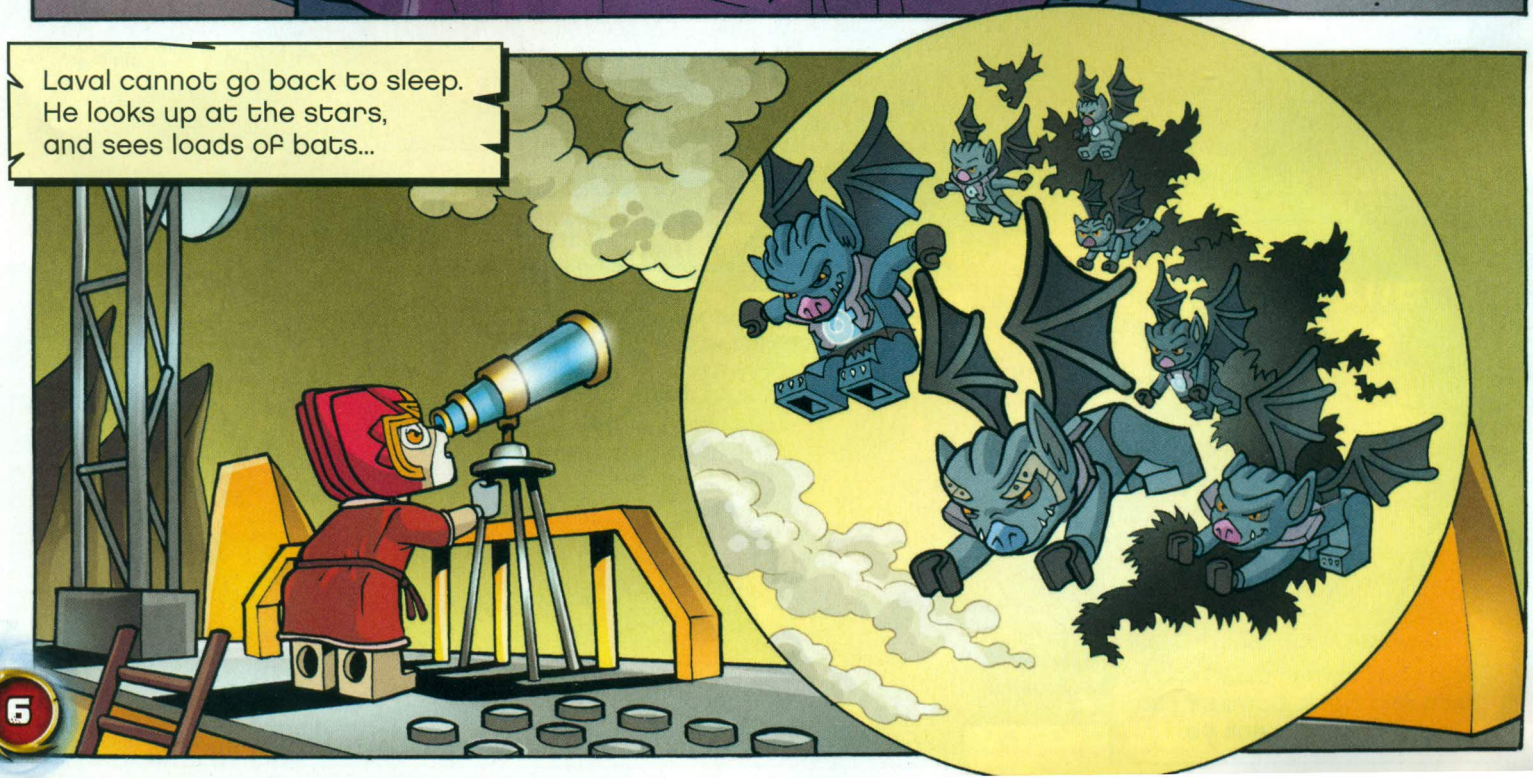
NOW READ OUR LATEST ADVENTURE!

Scorm and his evil friends have been defeated. Laval's uncle Lavertus sacrificed himself to save the young warriors from the Scorpions and free the Lion Legend Beast. Laval is left feeling deeply upset...
What's wrong with Laval? Is it because of Lavertus?
Yes. He blames himself.
LAVAL FIGHTS ALONE!
PART 1
We're returning to Chima. Are you coming with us?
LaGravis is expecting you.
We cannot leave the Outlands. I will remain here and take Lavertus' place.
The friends head off without Laval.
But we need you. ALL of Chima needs you!
And that's why I must stay here and fight. Don't try to persuade me not to.
The Lion Legend Beast is with you so at least I know you'll be safe!
I'll miss him!

That night Laval has nightmares.
FOR CHIMA!
LAVERTUS!



The lion warrior wakes up suddenly.



Laval cannot go back to sleep. He looks up at the stars, and sees loads of bats...

The spiders have been stuck in the mud for days. The bats are hurrying to help.
I am the Queen! I should be rescued first!
Sorry!
Don't touch my hair! What took you so long?
We got lost.
Why do you need our help?
Revenge! Those brats from Chima defeated the Scorpions with their Legend Beasts.
Braptor likes to fight, so the Spiders and Bats team up.

Laval rushes off to warn his friends.
I hope I'm not too late!
This doesn't look good.
Spiders and Bats have caught Laval's friends!
Hold on, I'm coming!
Perhaps Laval shouldn't have said that so loudly...
SMA-A-A-SH
CHI BONUS 1
Oh no! Laval lost his sword. Can you find it on page 10?

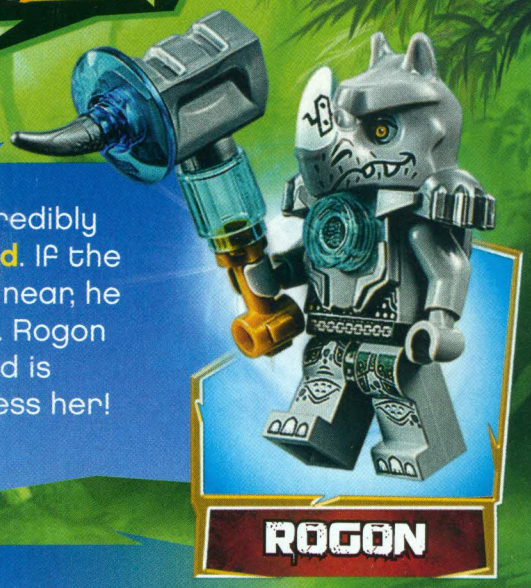
LEGENDS OF
CHIMA
SHADOWIND

THE RHINOS

The Rhinos are really strong, so it's best not to pick an argument with them!



Rogon the Rhino is incredibly **strong** but a bit **stupid**. If the Rhino Legend Beast is near, he becomes really **smart**. Rogon has a **crush on Eris** and is always trying to impress her!

ROGON

Rogon's **sister** will do anything to protect him. **Eris** didn't like Rinona at first. When she found out that Rogon and Rinona were related the two girls became **best friends.**

RINONA

THE BATS

Meet one of the most dangerous tribes in Chima!

There are few animals as **mean** as this bat. Braptor can't see very well, but he has **perfect hearing.** He can **eavesdrop** on his **enemies** from hundreds of metres away.

BRAPTOR

Blista is the **fastest and strongest fighter** Bat. He always joins his friends in battle, even when he has no idea what it's about. He would much rather just **hang from the ceiling.**

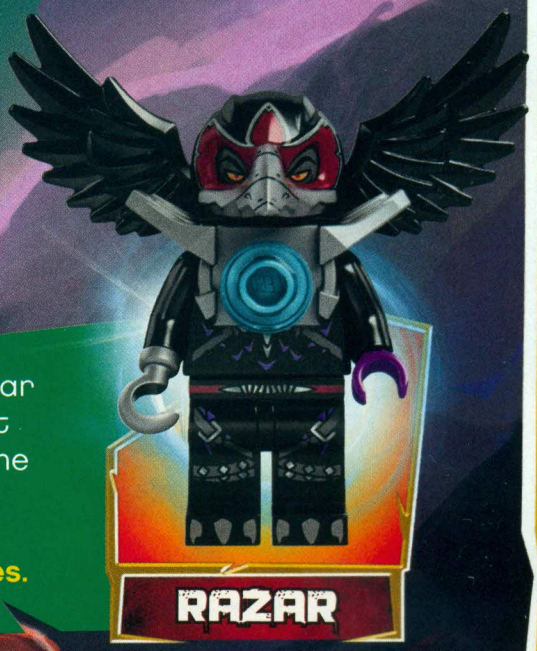
BLISTA

THE RAVENS

Greedy, devious and dangerous – that's the Ravens. Friendship doesn't mean much to them. They just want to have everything for themselves!

RAWZOM

The bird with the **golden crown** is the **best thief** in the Raven tribe and so he has the biggest say. You'd better watch out because **he will steal absolutely anything!**



RAZAR

It would never occur to Razar **to help others**. Not unless it **helped him** first. He finds the Lions far too noble and courageous and prefers to **team up with the Crocodiles.**

RAZCAL

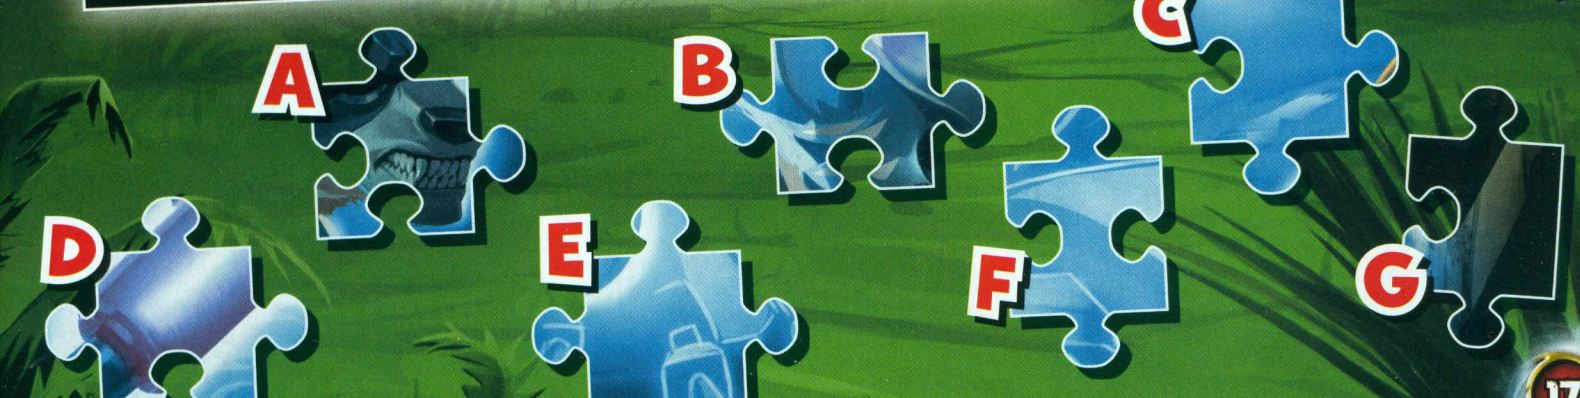
Razcal's job is to work out the **value of stolen goods**. He is the only Raven **who can count and read.** He is one pretty **smart bird**.

RIZZO

Rizzo is rather **nasty**, even by Raven standards! **Rizzo doesn't care about anything.** His **eye-patch** and his **metal leg** don't bother him at all!

WOLF JIGSAW!

Put this picture of Worriz back together! Match the letters to the empty boxes.



Find the answers on page 35.

BATTLE FOR CHIMA!

For 2 players

The Animal Tribes and the Crawlers have gathered for an epic challenge. Who will conquer Mount Cavora and get the CHI flowing again?

HOW TO PLAY

Choose who is going to be good and who is going to bad.

The good player needs four goodies
Use Lions, Crocodiles or Eagles

The bad player need four baddies
Use Scorpions or Spiders

Grab a dice!

AIM OF THE GAME

Climb Mount Cavora by conquering four regions of Chima.

HOW IT WORKS

Start

1 The player who throws the highest number goes first. If you both have the same score, try again!

2 The first player places a figure on a field.

3 Now the second player places a figure on any free field. If they select a field next to an opponent's, it's war!

Let's Fight!

1 The attacker throws the dice first. The one with the highest score wins. If you draw, throw again.

2 If the attacker wins, the defender must remove their figure from the field. The attacker may place another figure on an empty field.

3 If the defender wins, then the attacker must remove his figure from the field and it's the defender's turn.

Winner!

1 Once a player has taken four fields, he must conquer Mount Cavora in a final duel by throwing the dice.

2 If the attacker throws a higher number he gains control of Mount Cavora and wins the game. But if the attacker loses, it is the other player's turn and the defender has the chance to win back the fields.

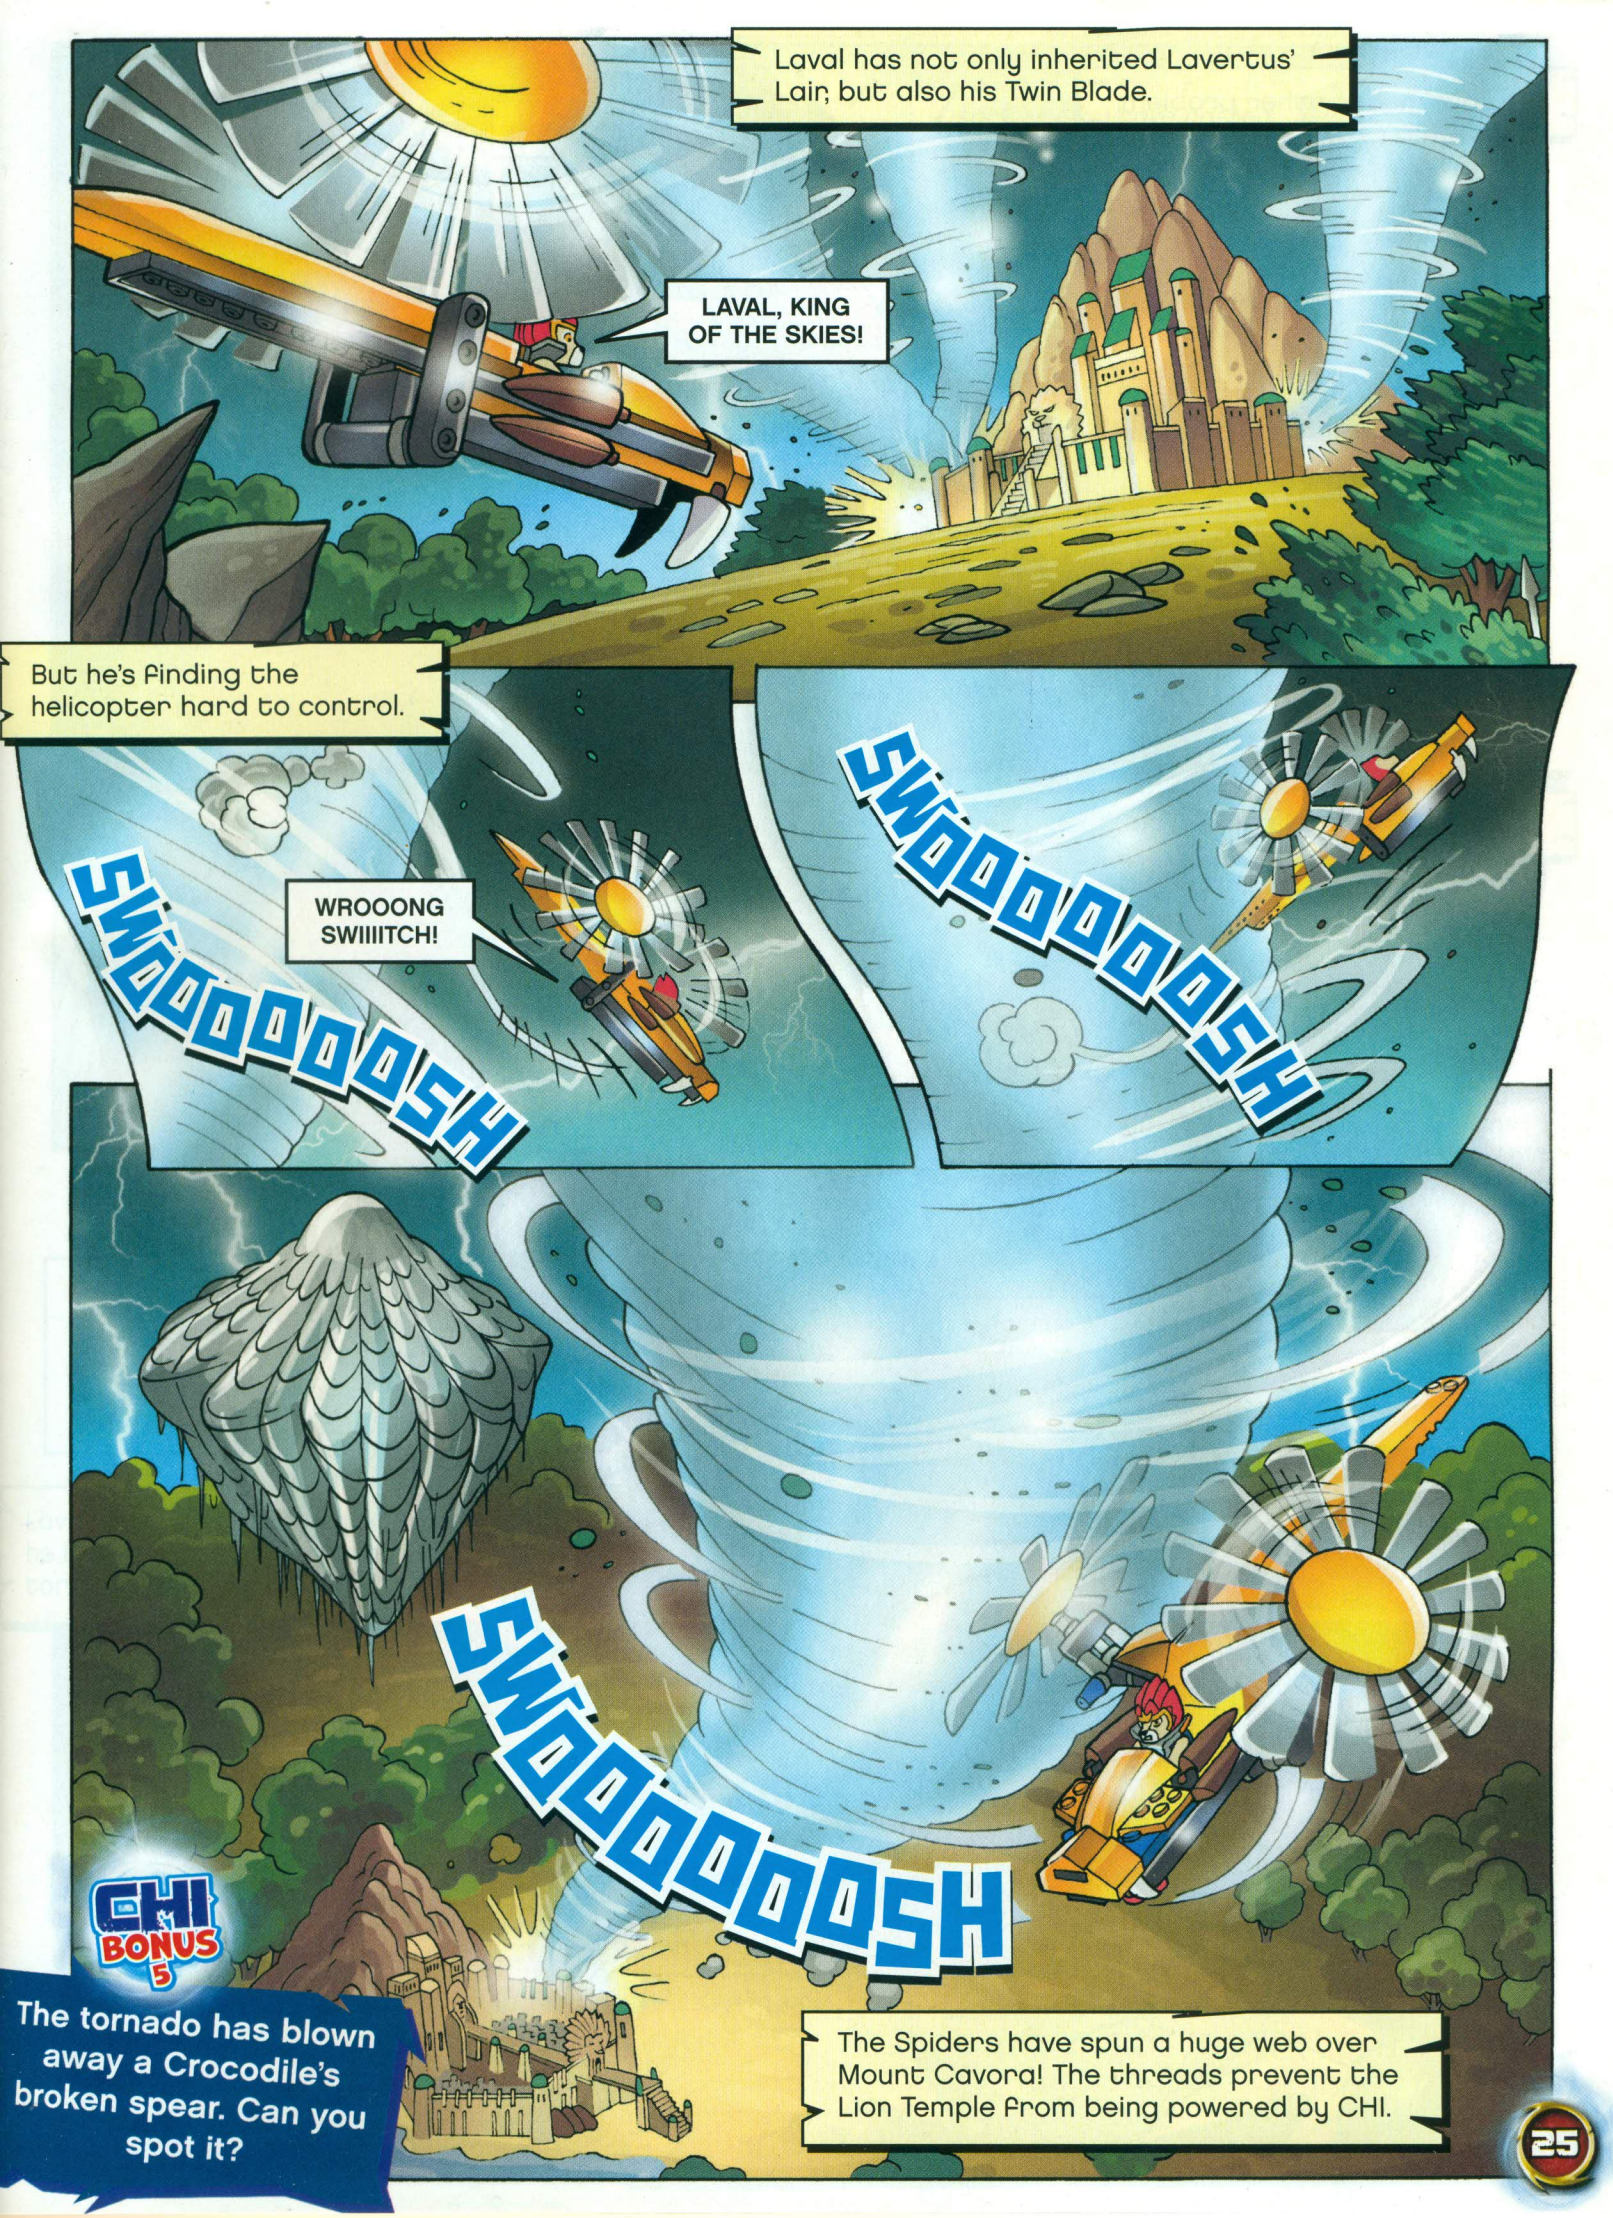
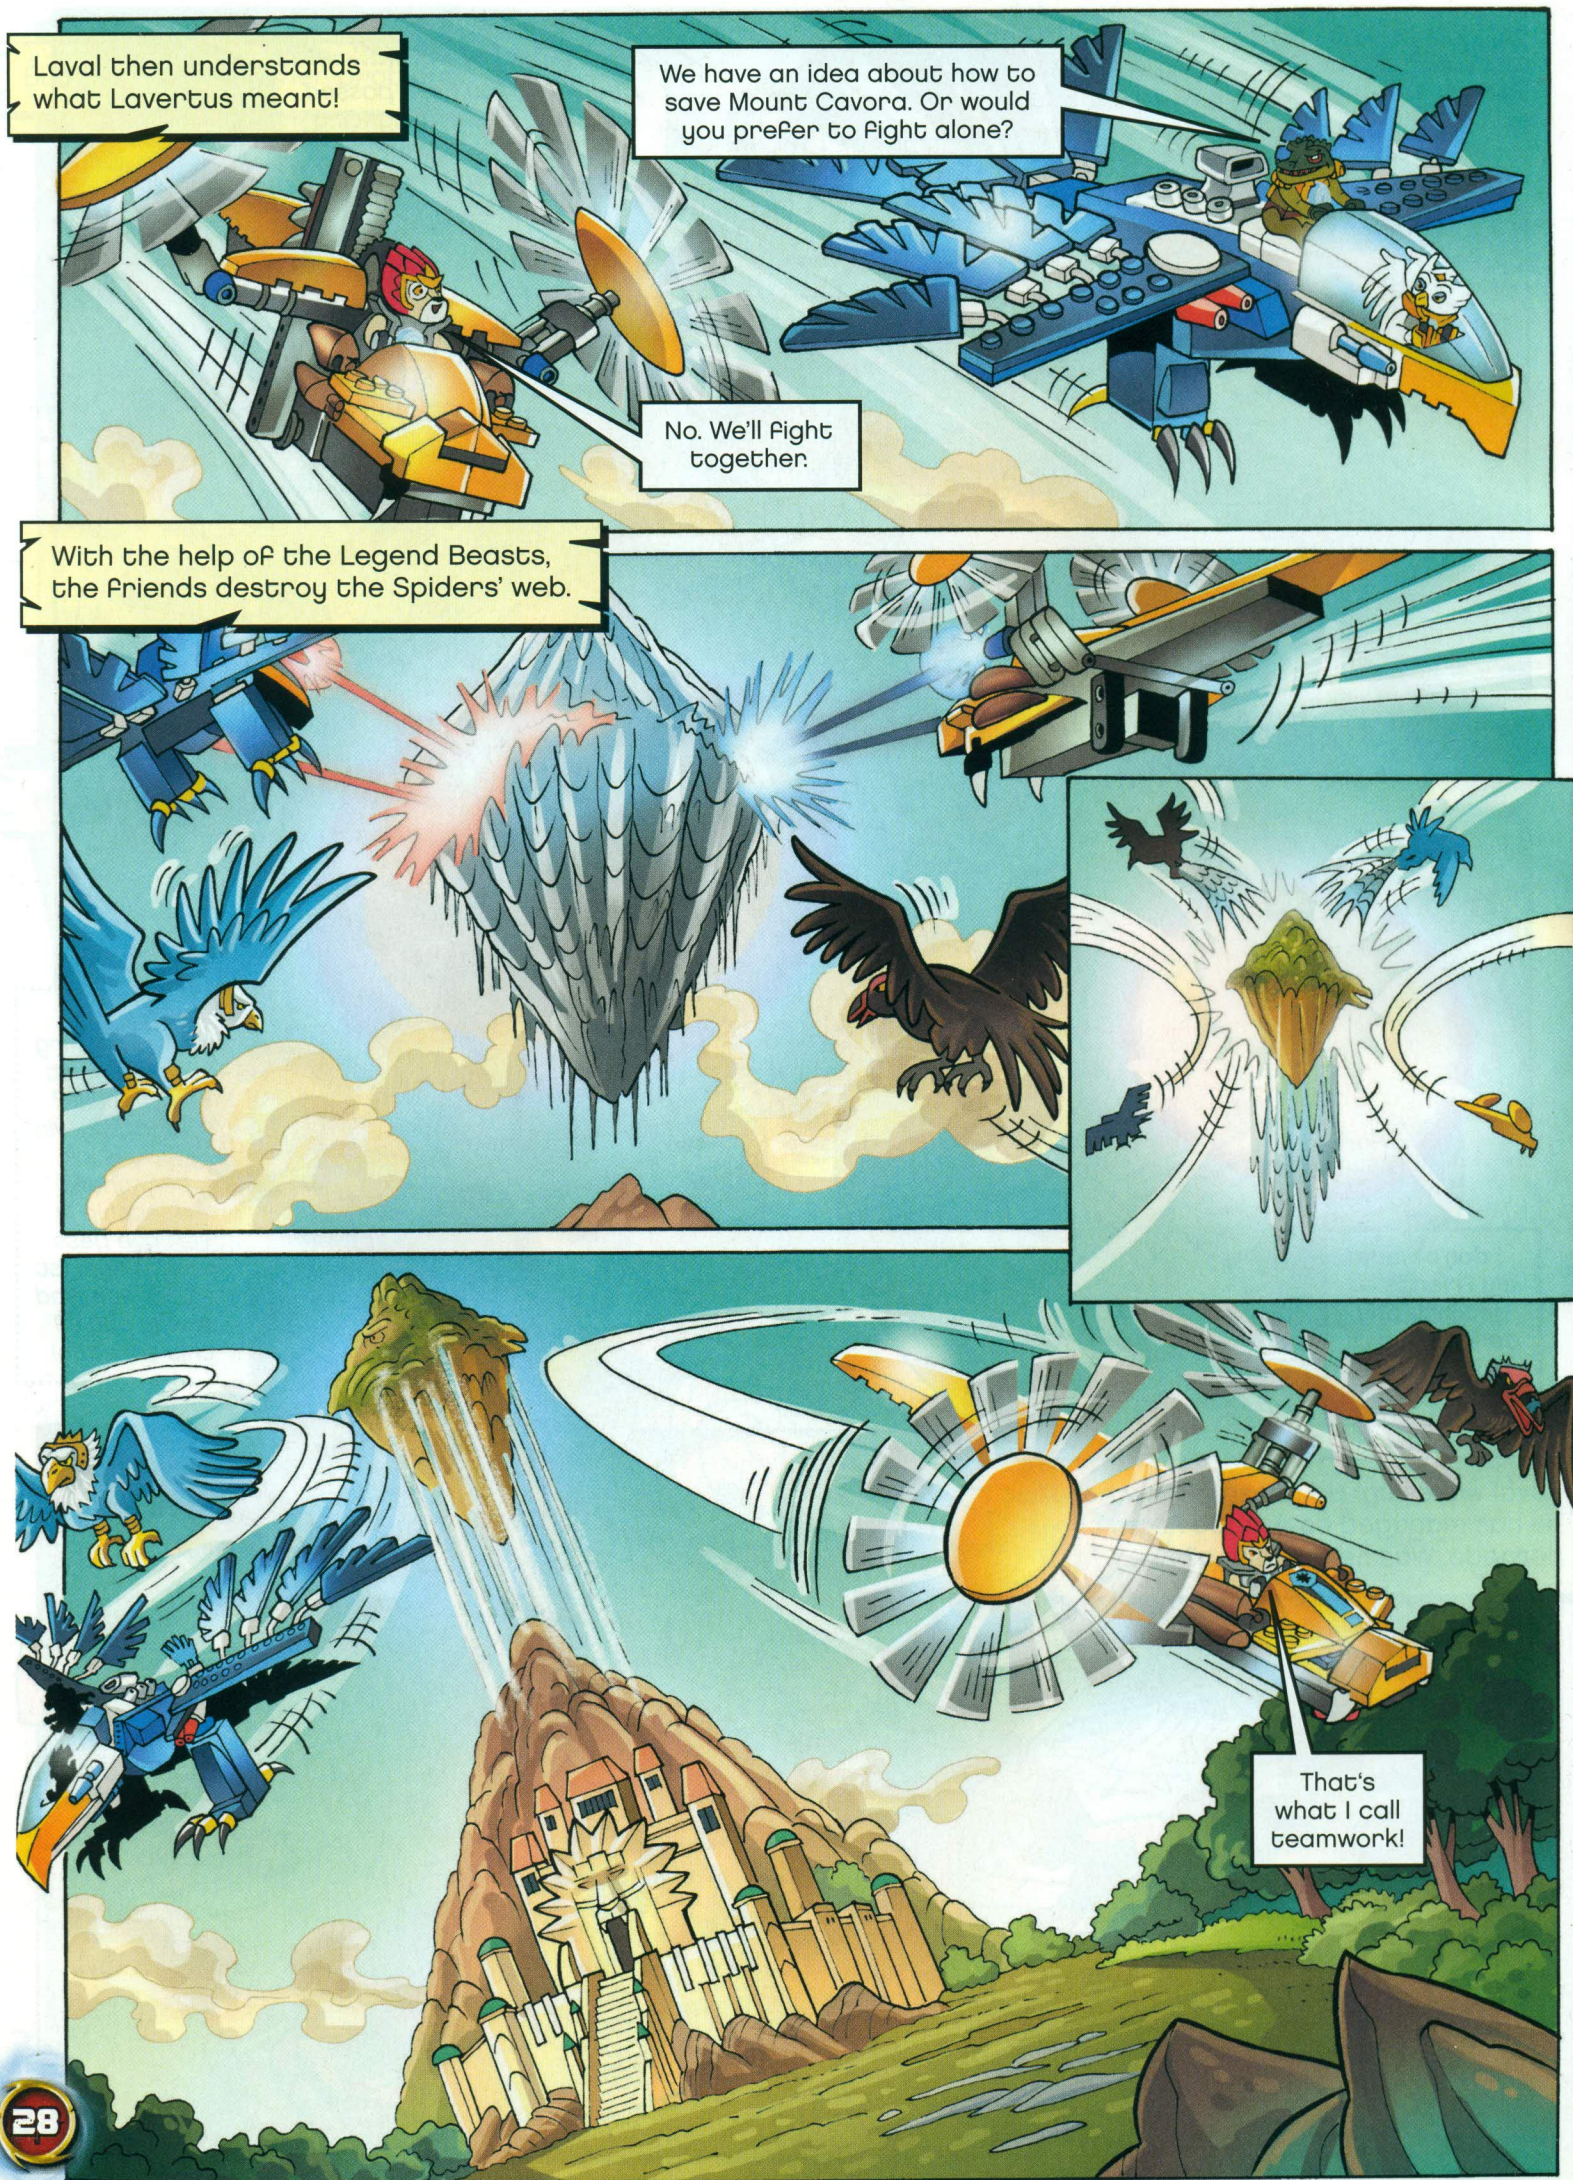
LAVAL FIGHTS ALONE!
PART 2
You have fought well.
Thank you!
Does that mean you are coming with us?
I just wanted to warn you about the bats...
Suddenly, the earth starts to shake...
Tornado!
The balance of Chima is out of control. Mount Cavora will be in danger!
I will go to Chima. But I need a new vehicle.
Why does he always want to do everything on his own?



Laval has not only inherited Lavertus' Lair, but also his Twin Blade.
LAVAL, KING OF THE SKIES!
But he's finding the helicopter hard to control.
WROOONG SWIIIITCH!
SWOOOOOSH
SWOOOOOSH
SWOOOOOSH
CHI BONUS 5
The tornado has blown away a Crocodile's broken spear. Can you spot it?
The Spiders have spun a huge web over Mount Cavora! The threads prevent the Lion Temple from being powered by CHI.

But Laval has another problem.
Uh-oh.
He loses control of the aircraft.
Come on...
Are you risking your life again?
Lavertus?

Dead? No. You have passed out. Why are you fighting the Spiders alone?
Am I...
I don't want my friends to get into any danger. I don't want to lose them as well.
Have you learned nothing over the past few months? You can only win if you stick together. Friendship is still the best weapon against evil. So let's find a way out of this tornado!
Laval wakes up. He doesn't know how, but he has managed to escape from the tornado. Was he dreaming?
Laval! We've been looking for you everywhere.



Laval then understands what Lavertus meant!
We have an idea about how to save Mount Cavora. Or would you prefer to fight alone?
No. We'll fight together.
With the help of the Legend Beasts, the friends destroy the Spiders' web.
That's what I call teamwork!

The attack of the Spiders and the Bats is over and they're driven out of Chima! The welcome celebration for the heroes is the biggest that Chima has ever seen.
King LaGravis honours each of the warriors for their deeds.
Without you, Chima would have been lost forever. We will be eternally grateful.
CHI BONUS 6
Can you guess which new Tribe is seen here? Look for the answer in our next issue!
Meanwhile, nobody suspects that, not very far away, a new menace is approaching...
TO BE CONTINUED!
